

How to Use

You may use these materials in a variety of ways, but this is our suggested sequence:

1. Watch a lesson.
2. Click the links in this document, or go to www.CompassClassroom.com/Quizlet to access Quizlet for online Flashcards, Games, Quizzes and more. These will help your student review and test vocabulary comprehension. (Free mobile apps for Quizlet also available for Android and Apple devices. Search “Quizlet” in the respective App Stores for download.)
3. Review lessons as needed.

About Compass Classroom

We're a team of teachers and filmmakers who love to learn. We think everything is interesting and worth understanding because God made it that way. Our hope is that everyone who uses our curriculum will come to love learning as much as we do.
